

Dear Distinguished Members of the Judiciary Committee,

Please oppose S.B. # 16

Once again, the legal gun owners of this state are under attack. I'm opposed to extending the list of banned firearms. Every few years, this state keeps adding firearms that are in common use, to the already long list.

Banning firearms, firearm features, banning 28-year-old firearms is not the answer to decreasing illegal firearms in Connecticut.

And calling for more registration legislation? DESPP/SFLU doesn't even have enough staff to process carry permit renewal within 6 months.

I ask that you NOT Support Governor Lamont's attack on the over 300,000 lawful firearm permit holders of Connecticut.

Respectfully submitted,
